

# I BJ support

By making a financial donation to the Institute you will help to secure the resources that will enable our accomplished doctors and researchers to target the musculoskeletal diseases and disorders which affect every 1 in 3 of us. Apart from direct donation to research, there are other ways in which your financial contribution could be used, such as:

- donor named laboratories or library
- supporting a named research fellowship
- the purchase of an item of equipment

## How to make a donation

The Bone and Joint Research Foundation (University of Sydney) is the body charged with raising funds for the Institute. You can make a tax claimable donation to the Foundation by sending a cheque payable to the Bone and Joint Research Foundation or by credit card using the form below.

**To make a donation, please print off this page - fill it in and mail or fax to the address below. A credit card donation can also be made by telephone:**
